Inspection
Type: ROUTINE INSPECTION
Date: JUL-19-2004

This routine inspection and exit interview conducted with [REDACTED] T. Jeff Chelf, ACI and Dr. Richard Watkins, SACS on 19 July 2004.

Note: This inspection focused on the chimpanzees care, condition, inventory, and records, and a complete inspection of all animals, records, and facilities will be conducted upon next inspection.

For the areas inspected there were no non-compliances identified.
